A.I. in Schools

Teacher PD - 2 Hour Session

Fantastic! Thank you Adrian for sharing your expertise with us. This will be my 12th year teaching and this PL has by far been the most edge of your seat engaging session I've ever been to! I hope you don't mind but I have recommended you to teacher friends from other schools, thanks again.

Sarah E.

Teacher
February 2024

A great session to develop our understanding of A.I. and the opportunities for our students.

Camden South

A terrific introduction and comprehensive presentation for teachers and school staff. Thank you Adrian.

Teachers & Exec
February 2024

So many options of things to use and AMAZING handout with so much useful info and links and prompts to utilise.

Fantastic presentation Adrian. Very helpful to get an overview of A.I. and how it works. Useful tools and digital handout was great. You are very knowledgeable and easy to listen to.
